Day 1-5: Mwezi Boutique Resort, Jambiani (Sun, 27 June to Thu, 1 July)

Jambiani

Resting on the southeast coast of the exquisite island of Zanzibar, Jambiani is a tiny fishing village which serves as a quiet retreat for travellers looking to escape the busy party scene that characterises the north of the island. The village sits on an idyllic stretch of white sand beach lined with palm trees as well as a number of relatively small guesthouses, hotels, and resorts. Visitors can look forward to relaxing on the beach and swimming in the clear, calm, aquamarine waters. Other popular activities include kiteboarding, sailing, visiting a local seaweed farm or snorkelling around the colourful coral reef.

Day Itinerary

At the end of our safari, our driver-guides will drop us off at Lake Manyara airstrip, where we will wait for our flight to Zanzibar.

At our arrival in Zanzibar, the hotel driver will welcome us and drive us to our beach boutique hotel for the next four nights.

Expert Tips

It would be a pity not to have a lunch at the unmissable "The Rock" <http://www.therockrestaurantzanzibar.com/>

Also, a day excursion to Pungume island for snorkeling and later lunch on a sandback is an unforgettable experience.

These can all be arranged, upon request, once in Zanzibar.
